

Pratt Safety Shower & Eye Wash Spare Parts:

The following pictures represent the most common requested spare parts for our range of Pratt Safety Emergency Decontamination Showers and Eye Wash Stations. This pictorial list makes it easier for you to identify the spare parts you require.

- | | | | |
|--|--|---|---|
| <p>1</p>  <p>Part No. 531124 each
Non aerated eyewash
nozzle assembly - complete</p> | <p>2</p>  <p>Part No. 531130 each
Aerated eyewash nozzle
assembly - complete</p> | <p>3</p>  <p>Part No. 531131 each
Triple aerated eye/face wash
nozzle assembly - complete</p> | <p>4</p>  <p>Part No. G38-0012 each
Multispray Shower head</p> |
| <p>5</p>  <p>Part No. 531113 each
Dust cover only for triple
head nozzle assembly</p> | <p>6</p>  <p>Part No. 511701 Pkt 20
Locking pins only for triple
head dust cover</p> | <p>7</p>  <p>Part No. 531120 Pair
Dust cover cap only for single
nozzle assembly</p> | <p>8</p>  <p>Part No. 05-1177 each
Aerator screen assembly
for both single & triple heads</p> |
| <p>9</p>  <p>Part No. 05-1177 each
Correct assembly sequence
of aerator screen assembly</p> | <p>10</p>  <p>Part No. SE870 each
Yellow plastic shower head
with impeller</p> | <p>11</p>  <p>Part No. SE850 each
316SS shower head also
with impeller</p> | <p>12</p>  <p>Part No. SE911 each
316SS 25mm ball valve and
lever arm for showers</p> |
| <p>13</p>  <p>Part No. 531018 each
316 SS - 15mm ball valve for
Eye washes</p> | <p>14</p>  <p>Part No. SE901 each
Self closing brass valve for
multispray showers</p> | <p>15</p>  <p>Part No. SE900V each
Self closing brass valve with
lever arm for multispray</p> | <p>16</p>  <p>Part No. SE910 each
316SS - 15mm ball valve and
handle assembly</p> |

17

Part No. 531115 each
Strainer Kit for Pratt
eye wash manifold.

21

18

Part No. 511700 Pk 6
Strainer mesh filter for
flexible braided hoses.

22

19

Part No. 520130WH each
Left hand S/S braided hose
and elbow assembly.

23

20

Part No. 520129WH each
Right hand S/S braided hose
and elbow assembly.

24

Part No. 531040 each
S/S Braided hose assembly

25

Part No. 511756 each
S/S metering screw

26

Part No. 531110 each
S/S and brass manifold
assembly.

27

Part No. 531111 each
S/S handle and linkage
assembly.

28

Part No. 531020 each
Push handle for combination
shower & eyewash stations

29

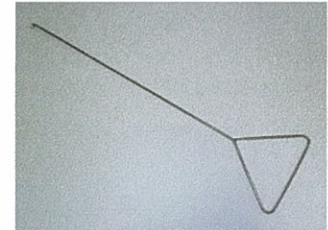

Part No. 531108 each
Bowl assembly only for
combination stations

30

Part No. 531109 each
Bowl assembly only for wall &
pedestal mounted eye wash

31

Part No. 531038 each
Pull rod for safety showers

32

Part No. 531044 each
Shower arm

33

Part No. 531027 each
Foot treadle assembly

34

Part No. 531121 each
Drain bowl connector kit

35

Part No. 516215 each
Rubber bowl washer seal

36

Part No. 516217 each
Nitrile washer seal for eye
wash nozzles

Part No. 511717 each
Nitrile O Ring seal for eye
wash nozzles

Part No. G05-0205 each
Replacement piston for
SE901 self closing valve

Part No. SE901RWK each
Replacement washer kit
for SE901 self closing valve

37

Part No. 516213 each
O Ring for shower stanchion barrel union connection

41

38

Part No. 511703 each
Manifold lock nut for eye wash stations

42

39

Part No. 531132 each
Hex cap for 15mm BSP auxiliary outlet on shower stanchions

43

40

Part No. 531116 each
Chrome cap for eye wash manifold T junction assembly

44

Part No. 511328 each
Nickel plated 15mm T Junction for shower stanchion

45

Part No. 531005 pair
Dust cap to suit multispray head nozzle with ball chain

46

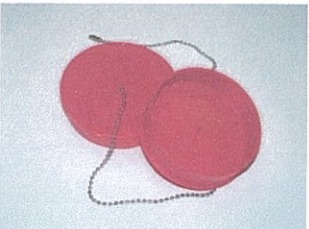

Part No. 531006 pair
Dust cap to suit old mushroom style eye wash nozzle head

47

Part No. 531007 pair
Dust cap to suit SE920/590A insert style eye wash nozzle

48

Part No. 531009 each
Dust cap to suit old Salt & Pepper shaker style eye wash

49

Part No. SE4764 box of 4
Water additive solution to suit SE4050 eye wash station

50

Part No. SETESTTAG Pk 10
Shower & Eye Wash Test Tag double sided, water proof

51

Part No. 536007 each
Pressure relief valve for SE590/592A portable eye wash

52

Part No. 536004 each
Pressure gauge for SE50P portable eye wash

53

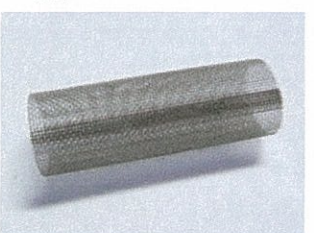

Part No. 536010 each
6mm air inlet valve for SE50P & SE590/592A

54

Part No. G21-0082 each
Strainer assembly for Speakman eye/face wash

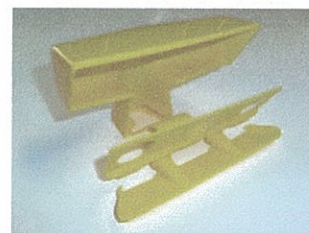

55

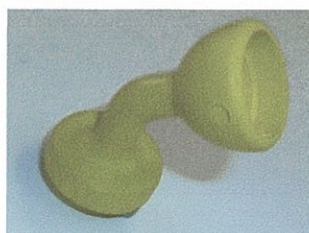

Part No. G21-0080 each
Strainer gauze for Speakman eye/face wash

Part No. G10-0042 each
Triple aerated nozzle assembly for Speakman eye/face wash

Part No. G10-004 each
Replacement shroud cover for Speakman triple nozzle

Part No. G42-0087 each
Single aerated nozzle base for Speakman eye wash
